

## Enjoy rural beauty and sophisticated tastes along the Patuxent Wine Trail

The Patuxent Wine Trail presents the wineries of Calvert and St. Mary's Counties, bounded by the Patuxent and Potomac Rivers and the Chesapeake Bay. The birthplace of Maryland, the area is rich in history and flavor, home to many historical landmarks, lighthouses, quaint waterfront towns.

The region offers stunning water vistas and beautiful rolling farmland that will soothe the soul. The area's soil and climate are a close approximation of the famed Tuscany region, and local wine makers are creating sumptuous award-winning wines to rival those anywhere.

Every aspect of the region's charms are on display at the seven wineries on the Patuxent Wine Trail. Roam the trail and sample superb wines in a restored tobacco barn, on the slopes of a rolling vineyard or along the banks of a pristine creek. You will be treated with warm Southern Maryland hospitality and take home a wealth of memories.
